

GHOST II

ABOUT GHOST II

GHOST II is a 122-foot (37.3m) Majesty superyacht that brings understated elegance and contemporary design to the forefront of Australian luxury charters. Sleek, modern, and impeccably crafted, she offers a seamless blend of comfort, space, and style across every level.

Her interiors are thoughtfully appointed, with warm timbers, soft furnishings, and expansive windows that invite natural light and panoramic views. The main saloon and dining area offer an open, welcoming space ideal for relaxed gatherings or formal occasions alike.

On the upper deck, guests will find a beautifully designed outdoor area complete with a jacuzzi, bar, and generous lounge space — ideal for enjoying Sydney Harbour or the Whitsundays in quiet comfort or with friends.

GHOST II accommodates up to 12 guests for day charters and 10 overnight across five ensuite staterooms, including a full-beam master, a VIP cabin, and three twins. Each cabin offers a calm, private retreat, complemented by attentive service from a professional crew of seven.

Well suited to both relaxation and recreation, GHOST II comes equipped with a full suite of water sports equipment, including jet skis, seabobs, paddleboards, and an inflatable slide. Her shallow draft allows access to secluded bays and pristine beaches often out of reach to larger vessels.

Balanced in every detail, GHOST II offers a quietly confident yachting experience — one defined by quality, space, and effortless enjoyment on the water.
